Staff Lottery Additional Tickets Entry Form

I wish to purchase _____ additional ticket(s) for the staff lottery at a cost of £___ per month (£1 per ticket).

I currently purchase _____ ticket(s) for the staff lottery.

Please note, you may only purchase a maximum number of 5 tickets (£5 per month), per person for each lottery draw.

I wish this to be deducted directly from my pay, and understand that I must complete a Staff Lottery Leaving Form, available via the Intranet, if I wish this deduction(s) to stop. It will be my responsibility to check that a deduction(s) has been made from my salary.

I understand that entry into each monthly draw is based solely on whether a deduction(s) was made in the month prior to the draw. I will not be included if a deduction(s) of the equivalent cost of a ticket(s) is not made during that pay period.

Only employees of Blackpool Teaching Hospitals NHS Foundation Trust, who have regular contracted hours, and, are paid using the ESR system can take part.
