

Our Five Year Strategy - At a Glance

Why do we need a new strategy?

We want to make sure we are in a strong position to meet the challenges we face from a number of perspectives covering national, regional and local health and care services and the financial pressures facing the NHS.

What do we need to know?

Our clinically led strategic review has helped the Trust to define its vision for 2020

Our Vision

“As a high performing Trust, operating as part of an integrated care system, we will provide high quality, safe and effective care. This will be achieved in a financially sustainable way, through our skilled and motivated workforce.”

Our Values

This will be delivered through seven work programmes, some of which will require us to change in line with our values.

PEOPLE CENTRED

Serving people is the focus of everything we do.

POSITIVE

Having a can do response whatever the situation.

COMPASSION

Always demonstrating we care.

EXCELLENCE

Continually striving to provide the best care possible.

Our Work Programmes

- Efficiency**
Reducing length of stay to deliver high quality care affordably
- Quality**
Consistency in care provision to deliver high quality care to all patients
- Value**
Getting most value from all of our resources
- Appropriate**
Transforming non-elective points of entry into the healthcare system
- Partnerships**
Working as part of the local health economy to develop new, integrated models of care
- Collaboration**
Working as part of a Lancashire-wide redesign team to develop new models of care
- Enabling**
Putting in place enablers such as improved use of information technology, making good use of our estate and enhancing our communications

Our Ambitions
