

WE NEED YOU

Junior Doctors' Forum Trainee Representatives

NHS

**Blackpool Teaching
Hospitals**
NHS Foundation Trust

Following the new Junior Doctors' contract, **it has never been more important that the views and opinions of junior doctors are heard in the workplace.** Each trust is contractually obliged to host a Junior Doctors Forum where trainees are able to voice any concerns and ideas to senior members of the hospital workforce.

We want to **recruit trainees** to represent their colleagues within the Junior Doctors' Forum, membership to include:

Foundation Year 1 representative
Foundation Year 2 representative
GPST representative
ST1-2 representative for Unscheduled Care
ST 1-2 representative for Scheduled Care
ST 1-2 representative for all other areas
ST3+ representative for Unscheduled Care
ST3+ representative for Scheduled Care
ST3+ representative for all other areas
BMA representative
Junior LNC Representative

The duties of the individuals who take up these roles will be:

- * Basic understanding of the 2016 terms and condition
- * Attend the Junior Doctors' Forum **once every three months**
- * Share feedback from colleagues at the forum
- * Feedback to your colleagues following each forum
- * Designated time off rota to enable regular attendance

This is a great opportunity to improve the working lives of your colleagues whilst develop your own **communication, organisation and teamwork skills as part of this leadership and management role.** You will be able to influence and improve working patterns and the educational experience of colleagues at the Trust.

A certificate acknowledging your contribution will be provided at the end of your rotation

If you are interested, please contact GOSW@bfwhospitals.nhs.uk or telephone **01253 953288** for more information.
