FY1 Teaching Programme Dates – 2017-18

Foundation Teaching is scheduled fortnightly (on average), on Tuesdays for FY1s, for a full day from 9-5pm.

Depending upon the topic, the teaching will be held in the Simulation & Skills Centre (S&S) or the Education Centre (EC).

**Grand Round**

The Grand Round is a very popular multi-disciplinary lecture that takes place on Wednesdays in the Medical Education Centre’s Lecture Theatre from 12.30 – 1.30pm, with a sponsored lunch available beforehand.

Presenters are invited from both within the hospital and the community, to ensure we offer a wide variety of informative and thought provoking topics, with stimulating lively debate at the end of the lecture.

These lectures should be used to get a broad exposure to all aspects of medicine and provide supporting evidence of learning to be mapped to the Foundation Curriculum.

Keep a look out for up and coming topics on the information boards located around the hospital.

If you are interested in presenting at one of the Grand Rounds, please contact the Medical Education Centre Manager.
