

# Apprenticeship Standard

## Spot Light

### English and Maths Spot Light

If you didn't achieve your English and maths GCSE's during your time in education, there is now another option called Functional Skills.

These are nationally recognised, transferable qualifications in English and maths and can be achieved alongside your current job role.

**Who** - Anybody who did not achieve their English and maths at Grade C/4 or above or those who cannot evidence their prior achievement.

Benefits -

- Achieve the qualifications required to enrol onto higher/degree level or clinical apprenticeships
- Develop your functional English and maths skills
- Achieve an equivalent qualification(s) to a GCSE Grade C/4
- Flexible delivery model to fit into your schedule
- Tutor support available
- Free to NHS employees
- Totally transferable qualifications

**Delivery Model** - Online/remote learning with tutor support

**Duration** - Approx. 20 weeks
