

### Clinical Skills Induction Checklist:

Please complete this with your Educational or Clinical supervisor in the first 2 weeks of your post. The list is meant to be a guide. Some skills may not be required for your post and post specific additional skills may be added. Mandatory or strongly recommended skills are in **bold**.

We also strongly recommend that you access eLfh Induction for International Doctors (<https://www.bfwh.nhs.uk/onehr/wp-content/uploads/2019/06/e-LFH-International-Induction-Programme.pdf>)

Completion of skills training should be reviewed with your supervisor after a month. Please ask for help if you are struggling to access training.
