

# OUR POSITIVE FEEDBACK

HERE IS SOME OF THE FEEDBACK WE HAVE RECEIVED FROM OUR MEDICAL STUDENTS

CLINICAL FELLOWS WERE VERY PROMPT TO ORGANISE EXTRA SESSIONS FOR US

DECLAND AND YOUSSEF, FY1, WERE DESCRIBED AS HELPFUL, A GREAT SOURCE OF LEARNING AND VERY SUPPORTIVE

ANOOP, FY1, WAS DESCRIBED AS FACILITATING BEDSIDE TEACHING WHICH WAS ESPECIALLY HELPFUL AND WILL DEFINITELY HELP WITH FUTURE PRACTICE

HANNAH AND PRATEEK, CLINICAL FELLOWS WERE APPROACHABLE, FRIENDLY AND GOOD AT ORGANISING THINGS FOR US

CRITICAL CARE WAS ONE OF THEIR FAVOURITE PLACEMENTS BECAUSE THE DOCTORS WENT OUT OF THEIR WAY TO TEACH. THEY SPECIFICALLY WANTED TO THANK DRs FELL, ALKER AND HAYWOOD WHO DID AMAZING TEACHING, PROVIDED SO MUCH SUPPORT AND MADE THE PLACEMENT ONE OF THE MOST MEMORABLE. THEY WISH THEIR PLACEMENT HAD BEEN LONGER SO THEY COULD SPEND MORE TIME WITH YOU ALL
