HealthRoster – Viewing Staff Leagues

The Staff Leagues are a useful information tool to ensure staff are rostered effectively and fairly, by comparing various statistics with other rostered staff

1

Select the Purple Roster Bar to open the side panel and select More to find and select Staff Leagues

HealthRoster – Viewing Staff Leagues

3 The Staff Leagues page will open for the selected roster period.

5

Most staff league reports will split individual staff data into the following groups: selected roster period, last roster, 3, 6 and 12 months:

		~			
Staff Member 🛧	This Roster	Last Roster	3 Months	6 Months	12 Months

By clicking/tapping on each column the report will sort the data numerically to show both high and low league figures

ALLOCATE

Click/tap on the left panel to view alternative information, staff league records the following:
