

Acute Response Team

#1600 #1931 #1960

WELCOME TO THE NIGHT SHIFT!

Who are we?

- Team of Nurse Practitioners, Senior Nurses and Clinical Assistants with a wealth of experience from a variety of backgrounds.
- Your best friends 'out of hours'

What we do?

- Respond to bleep 1600 for sick and scoring patients Trust wide.
- Cardiac Arrest and Medical Emergency Team.
- Massive Haemorrhage Coordinators
- Ward jobs that arise.
- Support you, senior doctors and ward staff.

How do night shifts work?

- Medical Handover at 21:00
- Allocation of Pts for review.
- Nerve Centre.
- Bleeps.

Worried / Unsure?

- ASK, ASK, ASK, It doesn't matter what the question is!
- Always two members of ART on shift.
- FY2 or above on AMU
- Med reg on ward cover.

Don't forget!

**LOOK AFTER YOUR COLLEAGUES!
COMPLETE YOUR DAY WORK**

**Medical Handover @ 16:30
Unwell patients and urgent OOH jobs. Attendance
mandatory for each ward.**

Don't forget!

- Come and find us to check in and catch up.
- Ask for feedback and portfolio sign-offs
- Discuss and De-brief
- Don't be afraid to say no to ward staff
- Take a break – Eat and drink.

Bleep 1600
