Record entries for Trust awards

Celebrating Success Awards 2015

Together we care

IT'S been another record breaking year for the Trust's Celebrating Success Awards with 330 entries in the eight categories.

The Gazette's Patients' Award attracted the largest number of entries with 107 nominations received from our patients – that is 100 per cent more than we received in 2013!

This year we have introduced two new categories, the Weightmans' Golden Heart Award which recognised life-saving and life changing work done by our staff and the Together We Care Award

which embodied the vision and values of the Trust.

The shortlist will be announced after the judging process and the full list of all nominations can be found on the intranet. While every effort has been made to ensure accuracy, we would ask staff to check nominee names and let the communications department know of any spelling errors by emailing:

communications@bfwh.nhs.uk
Winners and runners-up for each award category will be announced at the Celebration Ball at the Winter Gardens on November 6. Tickets for the event will go on sale at the end of August.

Memorial golf tournament tees off

NINETEEN golfers took to the course at Stanley Park in gorgeous weather for the sixth annual Jane Clough memorial golf tournament.

Organiser Mary Bird, general manager of ISS healthcare facilities at Blackpool Victoria Hospital, said: "Blackpool Golf Club proved to be a popular venue and the weather was fantastic. Next year the same venue has been booked for Friday, July 14, 2016.

"Jane was a lovely, dedicated nurse. We all look forward to this event."

The event was supported by friends and colleagues from Nursing, Estates, Portering and Domestic

Services which together raised £500 for Jane's daughter's trust fund.

The winner, taking home a shield, was Fred Squires with special prizes going to Brad Peacock for the longest drive.

The golfers taking part

Revalidation reminder for nursing staff

NURSES in the Trust are being reminded that the Nursing and Midwifery Council (NMC) has made some changes to its revalidation process that will come into force shortly.

Revalidation will require nurses and midwives to confirm to the NMC that they are up to date and fit to practise every three years. Nurses and midwives will receive confirmation from a third party that they continue to practise in accordance with the [NMC's Code](#) and that they have reflected on feedback from service users, including patients, colleagues and others.

Appraisals update for non medical staff

THERE are only six weeks remaining of the Appraisal Window being open. Only 15% of Trust staff have completed an appraisal so far. Please can all staff push on with their appraisals and aim to have them complete before the end of August 2015. There will not be an extension to the window as staff will need to complete a six month review. If you have technical difficulties or any general questions please visit the oneHR site for contact information.

Refurbishment of Clifton Hospital

THE refurbishment of Clifton Ward 4 is nearing completion and will transfer from Ward 2 to Ward 4 on the 5th August 2015.

As from the 7th August 2015 Clifton Ward 3 will close for an approximate period of 9 weeks to undergo refurbishment.

During this time the ward is temporarily relocating to Clifton Ward 2. Disruption will be kept to a minimum and contact numbers for the ward will remain the same. For any queries please contact Matron Courtney Bickerdike on 01253 957093.

How are you feeling today?

THE new NHS Employers [Emotional Wellbeing Toolkit](#) has launched this week following its pilot here at the Trust.

Health and wellbeing in the NHS has a direct impact on patient care. This includes physical, mental and emotional health of staff. The toolkit has been developed to support NHS organisations to create a mentally healthy workplace. The toolkit features an interactive tool which can be used by individuals thinking about their own emotional wellbeing, individuals looking at the emotional wellbeing of a team or colleague or OH and HR professionals.

[Try out the new interactive tool now](#)

Fancy joining the Trust choir?

THE Trust choir is looking for new members. The choir, which has been a great success over the past couple of years, is up and running again and rehearsing regularly. Any member of staff from anywhere in the Trust can join and everyone is welcome. If you would like further details please contact Paul Aspden on 01253 951132.

E-learning support

ARE you using e-learning for Mandatory Training? Remember we have all the tutorials and user guides you need on our designated e-learning pages on oneHR, To access them please go to: <http://blackpoolhr3.multi2.sitekit.net/Mandatory%20Training/elearning.htm>. * IF you are using e-learning to complete your mandatory training you need a username and password. Please use the flowchart below to acquire these: <http://blackpoolhr3.multi2.sitekit.net/Documents/Mandatory%20Training/Guides/e-Learning%20Username%20and%20Password.pdf>

Document library updated

THE Trust updated the Document Library homepage to improve the user's initial view, which includes re-organising the page to reflect the organisational structure and therefore improve the staff experience in finding and managing documents. The changed page will be located on the attached link - <http://fcsharepoint/trustdocuments/Pages/default.aspx>

Lost or stolen devices

IT IS important to remember that all lost or stolen devices must be reported as untoward incidents. Please also contact IG and IT to ensure that we can remotely disconnect the mobile media from the network to reduce information security risks.

Staff Achievements ceremony nominations

DON'T forget you can now nominate for this year's annual Staff Achievements ceremony on Monday, September 28, 2015, in the Lecture Theatre at Blackpool Sixth Form College.

The deadline for nominations is: Friday, August 21, 2015. To nominate go to the dedicated web page [HERE](#)

Meeting / Seminar Rooms

AT the recent Trust Management Team Meeting, a paper was tabled detailing a number of Meeting/Seminar Rooms across the Trust Acute footprint, which are not currently available to book on the Trust Room Booking System.

The paper asked to give consideration to the proposal that all Meeting/Seminar Rooms should be available to book via the central system, to maximise the use of the space available. Agreement was given to the proposal.

The Estates Department will now undertake surveys of those rooms listed, detailing the facilities within individual rooms, with a view to adding them to the Trust Central Room Booking System. In advance of the surveys, the rooms will show on the current BVH Booking System from Monday August 10.

Departments affected by this change will be contacted shortly in order to identify the appropriate room manger. Access will then be enabled to the Trust system, in order that they can transfer all existing bookings prior to the go live date. If a member of the Estates Team attends your area to undertake a survey, your co-operation would be greatly appreciated.

A copy of the site plan, with a list of rooms to book currently and those that are to be added, and their respective locations can be found at the following link: http://bfwnet/misc_notices/2015/rooms/rooms.asp

Have your say on changing facilities

A SHORT questionnaire has been generated to identify the number of people using changing facilities at Blackpool Victoria Hospital and their views. Please follow the below link to complete the questionnaire which is expected to take less than two minutes. https://www.surveymonkey.com/r/changing_facilities_questionnaire_BVH

This questionnaire will close on Monday August 3, 2015 at 9am.

For more information please contact Hannah Corless on 7638.

a better tomorrow

for BTH staff

Investors in People focus group

THE Trust wants to hear your views on how it can maintain its successful Investors in People Gold award. A feedback session is being held at Wesham PCC on August 5th between 2 and 3pm. The session is very informal with staff invited to give their views on how they think we can make improvements to the work we do. To book a place please contact Lauren Butterworth on 01253 951185 or email lauren.butterworth@bfwhospitals.nhs.uk Everyone is welcome.

Chronic illness support group

THE Trust has established a support group for any member of staff suffering any form of chronic illness such as depression, diabetes, asthma or COPD. The next meeting is on September 16 between 4pm and 5pm in the Simulation and Skills Centre, BVH, Room 8. For further information please email either Tina Russell on 01253 953423 or Liane Moorhouse on 01253 953519.

Prevent training dates

THE next PREVENT terrorism awareness training sessions are on August 6 between 9.30am and 11.30am and September 8 between 2pm and 4pm. This training is compulsory for all front line staff and takes place in the Education Centre at Blackpool Victoria Hospital. To book please contact the Learning and Development Department on 01253 955294 or via email at olm@bfwhospitals.nhs.uk

Clinical Research Fellow - new post

The University of Liverpool is currently advertising a post for a Clinical Research Fellow. For more information go to: <http://www.liv.ac.uk/working/jobvacancies/currentvacancies/research/r-588064/>

To read the latest copy of the new staff magazine click [HERE](#)

Strategic review working groups meet

WORK has been ongoing on the Trust's strategic review with the first two working groups, one looking at Long Term conditions and Out of Hospital Care and the other focusing on Urgent and Emergency Care, meeting last week. These groups are being clinically led by Dr Peter Curtis and Mr Russell Millner respectively. The meetings had excellent representation from these areas and feedback was that the groups had productive meetings with lots of good ideas being generated and plenty of thinking outside the box. The intention is for these groups to meet every fortnight for the next three months to put together a range of ideas for how these services could be provided to support patients in a more effective and financially sustainable manner that results in: improved clinical outcomes; improved patient and family experience; adherence to standardised best practice pathways/interventions; reduced unnecessary attendances/admissions; appropriate length of stay; appropriate place of care provision and confidence to self-manage where appropriate. Three more meetings covering Families, Specialist Services and Elective Secondary Care will take place in the next few weeks.

Creating a great place to work – being open and raising concerns

AS part of the Trust's Great Place to Work group we want your views on the culture of our workplace. Do you think we have a culture that supports openness and

raising concerns? Do you view raising concerns as a positive thing or not?

We hear great stories about staff who endeavour to make things better in their departments by sharing about successes or mistakes, developing innovative improvements and learning from each other. However, there are also some areas where this sort of open sharing and learning is not working quite so well.

We want to know what you think about this so that we, as a Trust, can discover ways of working more openly and collaboratively.

Please give us your honest views by completing the survey at

www.surveymonkey.com/r/open_culture

All responses will be completely confidential but if you would like to speak to a member of this group – or, better still, join the group to give your views, please contact Helen Box (5121), Debra Thornton (5596) or Michael Farrell (7005) who are co-ordinating this work.

Safeguarding training

THE next Safeguarding Adults/MCA and DOLS training for staff will take place at Blackpool Victoria Hospital on August 10 between 9am and 5pm. Book through the Learning and Development Department on 01253 955294 or at olm@bfwhospitals.nhs.uk.

| 19/10/2015 | 11:00 to 12:00 | Room 1: HPEC |

Most sessions are drop in.

Bogus phone calls requesting information

PLEASE could all staff be aware of phone calls requesting information regarding medical staff or patients currently on wards, or units at Blackpool Victoria Hospital.

Colleagues need to be aware of such phone calls and challenge the caller as to the need for such information the callers may well be plausible, very friendly and chatty however do not be lulled into a false sense of security.

Do not divulge any information whatsoever.

Take the caller's name, phone number and the details of the request, letting them know that you will get back to them, however, you must immediately alert your line manager and the LSMS (5616 Karen or 5568 Ian).

Basic Awareness In Child Protection

Level 3*

| Date | Venue | Time |

Recognise and Act Courses in 2015

The Recognise and Act course helps nursing staff to recognise the signs of an acutely deteriorating patient and to act on them in the most timely and appropriate way.

The three hour course, which will need to be completed every three years, will move on to the mandatory training list for most registered nurses from the end of April 2015.

It will be mandatory for all registered nurses on the wards and in emergency and critical care areas.

There will be several outpatient areas where the course has been made mandatory at the direction of the clinical matrons. Staff should check their mandatory training lists to check whether the course is required or not.

Attendance is not restricted to registered nurses however. Any member of staff who is interested in the revised course content or is steered to it by managers may attend. It is hoped that this will help to spread the benefits of a course which has been well received by those have attended it so far and further contribute to patient safety.

Enquiries can be made by calling Hilary Snellgrove, on 01253 952036 or email Hilary.snellgrove@bfwhospitals.nhs.uk.

Staff Advocates & Bully Buddies

Are you feeling Bullied or Harassed?

The Trust recognises that all employees have the right to be treated with consideration, dignity and respect and seeks to support all staff in their professional development. The Trust aims to provide a happy and fulfilling environment in which to work and bullying and harassment will not be tolerated in any form. The Trust recognises that it employs a diverse workforce where individual staff may have different expectations about what is acceptable workplace behaviour. However, the Trust has the right to determine what acceptable employee behaviour is.

Bullying and harassment takes many forms including;

- An abuse of power or position that can cause such anxiety that people gradually lose all belief in themselves, suffering physical ill health and mental distress as a direct result (*Andrea Adams Trust*)
- Bullying by exclusion - this may take the form of social isolation and/ or exclusion from meetings
- The deliberate withholding of information with the intention of affecting a colleague's performance
- Unfair, destructive or excessive criticism
- Intimidating behaviour either verbal or physical
- Verbal abuse and spreading of unfounded rumours
- Humiliation, ridicule or discrediting
- Setting of unrealistic targets that are unreasonable and/or changed with limited notice or consultation
- Treating colleagues as children, not adults
- Undermining staff by replacing their areas of responsibility unreasonably without justification and consultation
- Constantly changing work deadlines or work guidelines

Support for you from Staff Advocates & Bully Buddies

If you are feeling bullied or harassed and would like to talk to someone then you can contact the Trust's staff advocates/ bully buddies.

Staff Advocates/ bully buddies are drawn from a wide range of roles across the Trust and have been provided with specialist training. They are an independent and confidential resource. As part of their role they are able to provide empathetic assistance to you, explain how the procedures for making a complaint operate both informally and formally and they help establish and provide support for both alleged harassers and complainants through the process.
