

# Breastfeeding support

by Blackpool Teaching Hospitals - Tuesday, January 10, 2012

---

Breastfeeding support for Blackpool mums.

## Who are we?

We are all local mums who have breastfed our children, and have trained to be breastfeeding helpers.

## What do we do?

We provide friendly help, information and support about breastfeeding through texts, phone calls and visits.

We can give you the breastfeeding support that you want, when you want it for as long as YOU want.

## What next?

If you would like to be part of this service all you need to do is call or text the Star Buddies central line 07549 996862.

Leave your name and contact number and a Star Buddy will call you back within 48 hours, or by Monday if messages are left over the weekend. We look forward to meeting you!

To phone and speak to a Breastfeeding Supporter any day between 9.30am and 9.30pm phone Supporterline 0300 100 0210.
