### The Hospital Travel Costs Scheme

This scheme provides financial support to patients on a low income. Patients receiving certain benefits automatically receive a full refund. If you are not receiving benefits, you may be able to claim but will need to complete form HC1 which is available from the General Office.

## Benefits of Cycling and Walking

Exercise improves health and fitness. Cycling and walking is free and reduces congestion and air pollution.

Please secure your cycle/motor cycle to the stands at the entrance to the hospital.

## Car parking

There are designated pay and display parking areas for patients and visitors as indicated on the site plan overleaf.

### Car Parking Charges:

- Up to 1 hour 50p
- Up to 2 hours £1
- Up to 3 hours £1.20
- Over 3 hours £3.00

### Registered Disabled Drivers

Disabled badge holders may park free of charge in the designated disabled spaces. Please display your disabled badge in your windscreen.

The car park is regularly patrolled. However, vehicles and their contents are left at the owners' risk. Please lock your car and keep belongings out of sight.

### Parking Rules

Clifton Hospital is a busy site and it is necessary to ensure that roads and entrances are not blocked. The following car parking rules apply:

- No parking on double yellow lines or yellow cross-hatched areas
- All vehicles should be parked within the marked bays
- Only registered disabled badge holders may park in disabled bays
- A valid pay and display ticket should be clearly displayed in your car if you use the pay and display spaces
- No exceeding the time limit in short stay bays

Civil Penalty Notices are in operation - £25 charge. For car parking information, please call **Tel 01253 306970**.

## Travel Information - Clifton Hospital

### Facilities Directorate

## How to get here

Clifton Hospital is situated halfway between the towns of Lytham and St Annes, just off Clifton Drive South on Pershore Road.

Where possible, we encourage visitors to use public transport, taxis, walk or cycle so that spaces are preserved for patients and visitors who need to come by car.

Spaces are limited and at peak times you may have to wait for a space to become available.
