

For IT Training you can now self-book onto classroom and complete e-Learning courses relevant to your role as outlined below, using [eClass](#) (our in house Learning Management System). These courses can be completed on a PC/Laptop anywhere you have internet access.

BTH E-Learning Suite:

- CyberLab - Medical (for Doctors/Consultants)
- G2 Authors'
- HIET Medical Induction
- HIET Trust Induction

BTH Acute Classroom Courses:

- Alert EDIS – Only if you are working in A&E
- MaxIMS Document Manager – Read Only

To login to eClass:

1. Click the link - <https://bth.traineasy.com>
2. Click **LOGIN** on the orange bar
3. Click in the **Username** field and enter your **work e-mail address e.g.** John.Smith@bfwhospitals.nhs.uk
4. Click in the **Password** field
 - If you have **NEVER USED** e-Class before enter a temporary password of **Changeme.1** (Please Note: this password is case sensitive), the system will prompt you to change this password.
 - If you have **USED** e-Class before enter your chosen password or click the **Forgotten your username or password** link to reset
5. Enter a your Line Manager's email address if not already displayed and click **Confirm**

Please Note: If you are wishing to complete eLearning prior to starting at the Trust please contact the Health Informatics Education & Training, (it.training@bfwhospitals.nhs.uk or Tel 01253 951010), who will be able to help.
