

Transition Pathway for Occupational Therapy Services at Fylde and Wyre

Age 11
to 12

- OT to attend Annual Review of EHCP or contribute with written report when invited to do so by the school.
- From Annual review LCC SEND Team may complete an environmental audit (this is sometimes completed jointly with OT/Physio etc.)
- Dependent on needs identified school visit to new Secondary school is completed (if prior visit with LCC SEND Team is not completed) to review environment and potential equipment needs.
- School visit in Autumn term to hand over any equipment provision or therapy programmes to be completed within school.

Age 15
to 16

- OT to attend Annual Review of EHCP or contribute with written report when invited to do so by the school.
- Establish ongoing education placement. If a YP is moving to stand alone college (within Blackpool, Wyre or Fylde).
- From Annual review LCC SEND Team may complete an environmental audit (this is sometimes completed jointly with OT/Physio etc.)
- Transition visit may be required dependent on need and current provision/input to review environment and potential equipment needs.
- College visit in Autumn term to hand over any equipment provision or therapy programmes to be completed within college.

Age 17

- Children's OT to attend meeting with Adult OT to discuss upcoming transitions to adult services.
- Children's OT service will continue to support the YP at both home and school for equipment needs.

Age 18

- For YP who attend Special School and have ongoing or outstanding OT needs within the family home a referral to LCC Adult OT will be completed via the LCC Hub. The YP will remain open to Children's OT service for EDUCATION NEEDS ONLY.
- For YP who attend Special School and have no ongoing or outstanding OT needs within the family home a transition checklist will be completed with the YP and parent/family. The YP will remain open to Children's OT service for EDUCATION NEEDS ONLY.
- For YP who attend Mainstream school/college and have ongoing or outstanding OT needs within the family home a referral to LCC Adult OT will be completed via the LCC Hub. A transition checklist will be completed by the OT with YP and parent/family. A summary update and appropriate contact details will be sent out to the family.
- For YP who attend Mainstream school/college have no ongoing or outstanding OT needs within the family home a transition checklist will be completed by the OT with YP and parent/family. A summary update and appropriate contact details will be sent out to the family.

Adult

- Once the YP reaches the age of 19 and leaves special school, the YP will be discharged from the Children's OT service fully. Home needs (for those YP identified) will have been transition onto adult service at 18 years.
