

FOI 02258 – Registered Audits January 2017-December 2017

Title	New/re-audit /ongoing	Standards/Guidelines
Vital signs in children local audit	Re-audit	National standards
Re-audit of Diabetic Ketoacidosis	Re-audit	Local guidelines
The use of NIV (BIPAP) in management of acute hypercandic respiratory failure (AHRF)	New	National standards
Re-audit Compliance with NICE CG 100 Alcohol Disorders and CORP/PROC/487	Re-audit	National standards and Local guidelines
Pre-op fasting for fluids in adults re-audit	Re-audit	National standards
Potential impact of the new chest pain of recent onset NICE guidelines	New	National standards
Anticoagulation compliance pre-procedure in patients with cardiac arrhythmia	New	National standards
Target Tidal Volume Post Cardiac Surgery	New	National Standards
Radio frequency tissue reduction for turbinate hypertrophy re-audit	Re-audit	National standards
How does the radiological investigations for acute abdo pain in urology patients compare with the ASGBI Commissioning Guide re-audit	Re-audit	National standards
Re-audit of outcomes of lid cancer surgery and review of periocular tumour referral pathways re-audit	Re-audit	National standards
The effectiveness of twin block functional appliance treatment in Primary and Secondary Care	New	National Standards
National audit of small bowel obstruction	Ongoing	National standards
Nephrectomy audit	Ongoing	National standards
Percutaneous Nephrolithotomy (PCNL)	Ongoing	National standards
Elective Surgery (National PROMs Programme)	Ongoing	National standards
Head and Neck Cancer Audit (HANA)	Ongoing	National standards
Cancer thyroid resection histopathology reports	New	National standards
Non-small cell lung carcinoma (not otherwise specified) diagnosis rates	New	National standards
Quality of AE trauma pelvic examinations re-audit	Re-audit	Local guidelines
Multiple pregnancy antenatal care re-audit	Re-audit	National standards
Diabetic control after switching to pump from MDI	New	National standards

Title	New/re-audit /ongoing	Standards/Guidelines
Re-audit of the Management of severe pre-eclampsia/eclampsia re-audit	Re-audit	Local guidelines
Re-audit of Termination of pregnancy re-audit	Re-audit	National standards and Local guidelines
NCEPOD study Children with chronic neurodisability (Child Health Clinical Outcome Review Programme)	Ongoing	National standards
Paediatric Pneumonia	Ongoing	National standards
Health Records Keeping Standards - Basic Clinical Record Keeping	Ongoing	Local guidelines
Improving safeguarding for young people who attend sexual health services	New	National standards
Use of iv Hydrocortisone or administration of Prednisolone in the management of severe asthma in Paediatrics	New	National standards
Reviewing of asthmatic children's ED attendance against RCEM standards	New	National standards
Acutely ill patients in hospital: recognition of and response to acute illness in adults in hospital. Incorporating recording, monitoring & assessment of fluid balance & recognition of risk factors for AKI re-audit	Re-audit	National standards
Management of out of hospital cardiac arrest during the first 24hrs of intensive care	New	National standards
Audit of the Management of Neutropenic Sepsis	New	Local guidelines
30 day mortality and 8 day complications	Ongoing	National standards
Management of in-patients with IBD	New	National standards
Re-audit of community hospital transfers	Re-audit	National standards
To assess the current practices of chest drain insertion and removal	New	Local guidelines
Percutaneous Endoscopic Gastrostomy (PEG) Audit 2015/16 re-audit	Re-audit	National standards
Audit of peri-operative management of diabetes in patients undergoing elective surgery	New	National standards
Clinical antibiotic prescribing on Wards 11 and Ward C	New	National standards
Endoscopy referral audit	New	Local guidelines

Title	New/re-audit /ongoing	Standards/Guidelines
GI bleed re-audit	Re-audit	National standards
A review of inpatient endoscopic procedures	New	National standards
Colonic Stent Audit 2010-2015 re-audit	Re-audit	National standards
Appropriate EEG referrals	New	National standards
Mortality Audit AMU	Ongoing	National standards
Re-audit quality of care of patients with decompensated liver cirrhosis in first 24 hrs	Re-audit	National standards
Upper GI follow up for Gastric Ulcers re-audit	Re-audit	National standards
Regional audit of the diagnosis and treatment of Giant Cell Arteritis (GCA) against BSR Guidelines	New	National standards
Tackling Acute Kidney Injury (AKI)	New	National standards
Moderate or severe asthma in children (care provided in Emergency Departments) - College of Emergency Medicine)	Ongoing	Local guidelines
National Audit - initial Management of the fitting child	Ongoing	National standards
NCEPOD Study - Care of Patients with Mental Health Problems in Acute General Hospitals	Ongoing	National standards
Consultant sign off	Ongoing	National standards
Severe Sepsis and Septic Shock – care in emergency departments	Ongoing	National standards
Moderate & Acute Severe asthma – adult and paediatric	Ongoing	National standards
Adult critical care (Case Mix Programme – ICNARC CMP)	Ongoing	National standards
National Potential donor audit	Ongoing	National standards
Lung cancer (NLCA)	Ongoing	National standards
National Pleural Procedures Audit 2014	Ongoing	National standards
National Clinical Audit for rheumatoid and early inflammatory arthritis	Ongoing	National standards
National Chronic Obstructive Pulmonary Disease Audit (COPD)	Ongoing	National standards
National Audit Programme (SSNAP) - programme combines the following audits, which were previously listed separately in QA a) Sentinel stroke audit (2010/11, 2012/13) b) Stroke improvement national audit project (2011/12, 2012/13) Continued from 12/13	Ongoing	National standards

Title	New/re-audit /ongoing	Standards/Guidelines
NCEPOD Study- Sepsis Study	Ongoing	National standards
NCEPOD Study - Managing the flow? A review of the care received by patients who were diagnosed with an aneurysmal subarachnoid haemorrhage	Ongoing	National standards
NCEPOD Study - Gastro intestinal bleed	Ongoing	National standards
NCEPOD Study - A mixed bag - An enquiry into the care of hospital patients receiving parenteral nutrition	Ongoing	National standards
NCEPOD Study - To audit lower limb (foot, knee , leg) amputations in patients with diabetes in the Fylde Coast area	Ongoing	National standards
BTS National Emergency Oxygen Audit 2015	Ongoing	National standards
Diabetes (Adult) ND(A), includes National Diabetes Inpatient Audit (NADIA)	Ongoing	National standards
BTS Smoking cessation audit 2016	Ongoing	National standards
Inflammatory Bowel Disease (IBD) programme	Ongoing	National standards
National Adult Asthma Audit 2016	Ongoing	National standards
Oesophago-gastric Cancer (NAOGC) 2016	Ongoing	National standards
Management of obstetric accidental dural punctures in the North West	New	National standards
Pregnancy checking before non-obstetric surgery in 12-16 year olds	New	National standards
Epidural analgesia in labour re-audit	Re-audit	National standards
Assessing compliance with trust guidelines regarding which medications to omit pre-operatively	New	National standards
Obstetric intubation in BVH re-audit	Re-audit	Local guidelines
Unplanned hospital admission after day surgery re-audit	Re-audit	National standards
Peep value on ICU	New	National standards
Anaesthesia and peri-operative analgesia for hip fracture patients re-audit	Re-audit	National standards
Consent & documentation of Epidural analgesia for labour	New	National standards

Title	New/re-audit /ongoing	Standards/Guidelines
Effective delivery of prognostically beneficial medical therapy in LV systolic dysfunction following hospital admission	New	Local guidelines
Assessment of peri-procedural anticoagulation therapy and complications in patients undergoing AF ablation at BVH	New	National standards
Average admission to coronary angiography time for patients with non ST elevation acute coronary syndrome	New	National standards
Secondary prevention of primary PCI patients re-audit	Re-audit	National standards
Medical vs Surgical management of Pneumothorax	New	National standards
Open and Laparoscopic Inguinal Hernia Repair: North West Consenting Practices	New	National standards
Quarterly audit on clarity database entries	New	National Standards
Monthly AQ Clarity database	New	Local guidelines
Closure of intestinal stoma	New	National standards
Malignant polyp	New	National standards
Outcomes in patients over 65 years in Emergency General Surgery	New	National standards
Evaluation of self-administered eye drops in general surgery	New	National standards
Operative note documentation in ENT surgery	New	Local guidelines
Assessment of the accuracy of MRI's in direct free circumferential resection margin in staging of rectal cancer	New	National standards
Are GP's measuring PSA's according to NICE guidelines?	New	National standards
Management in Osteoporosis	New	National standards
Audit of Cauda Equina syndrome	New	National standards
Assessment of the documentation of fluid balance charts on orthopaedic patients	New	National standards
The effectiveness of twin block functional appliance treatment in Primary and Secondary Care	New	National standards
Accidental awareness under general anaesthetic AAGA NAP5	Ongoing	National standards
National emergency laparotomy audit (NELA)	Ongoing	National standards

Title	New/re-audit /ongoing	Standards/Guidelines
Heart failure (HF)	Ongoing	National standards
National Heart Failure Audit	Ongoing	National standards
Coronary Angioplasty/National Audit of Percutaneous Coronary Interventions (PCI)	Ongoing	National standards
National Audit of Cardiac Rehab	Ongoing	National standards
Acute Coronary Syndrome or Acute Myocardial Infarction (MINAP)	Ongoing	National standards
Adult Cardiac Surgery	Ongoing	National standards
Congenital Heart Disease (CHD)	Ongoing	National standards
Cardiac rhythm management (CRM)	Ongoing	National standards
National audit of Clinical variation in practice of Laparoscopic Cholecystectomy and surgical outcomes	Ongoing	National standards
Falls and Fragility Fractures Audit Programme (FFFAP), includes National Hip Fracture Database (NHFD)	Ongoing	National standards
National complicated acute diverticulitis audit (CADS)	Ongoing	National standards
NCEPOD Study - An age old problem -A review of the care received by elderly patients undergoing surgery	Ongoing	National standards
2015 Audit of patient blood management in scheduled surgery	Ongoing	National standards
National Comparative audit of lower gastrointestinal bleeding and the use of blood	Ongoing	National standards
National Bowel Cancer Audit Programme (NBOCAP)	Ongoing	National standards
National Prostate Cancer Audit	Ongoing	National standards
Title	New/re-audit /ongoing	Standards/Guidelines
IBRA-2 (Implant Breast Reconstruction Evaluation) Study	Ongoing	National standards
Head and Neck Cancer Audit	Ongoing	National standards
National Ophthalmology Audit	Ongoing	National standards
National Joint Registry (NJR)	Ongoing	National standards

Title	New/re-audit /ongoing	Standards/Guidelines
Is the use of acute hepatitis serology profile compliant with National SOP	New	National standards
Audit of testicular cancer reporting	New	National standards
Audit of effectiveness of patient information 'Receiving a blood transfusion' re-audit	Re-audit	National standards
Blood transfusion consent/clinical indication/recorded benefit audit re-audit	Re-audit	National standards
Audit of the outcome of trans-perineal template biopsies of the prostate	New	National standards
Compliance of AE ENP/ANP x-ray referrals	New	National standards
Quality of trauma pelvic radiographs undertaken in A&E re-audit	Re-audit	National standards
National Comparative audit of blood transfusion in Haematology (National Comparative Audit of Blood Transfusion programme)	Ongoing	National standards
National audit of the accuracy of interpretation of emergency abdominal CT in adult patients who present with non-traumatic abdominal pain	Ongoing	National standards
RCR Audit of prevention and detection of Acute Kidney Injury in adult patients undergoing iodinated contrast media injections (CI-AKI)	Ongoing	National standards
National audit of the provision of imaging of the severely injured patient	Ongoing	National standards
Audit of small for gestational age (SGA) fetal growth restriction (FGR) detection and management	New	National standards
Audit of acute gynaecology admissions and re-admissions	New	National standards
Investigation and management of suspected thromboembolic disease in pregnancy and the puerperium	New	National standards
Title	New/re-audit /ongoing	Standards/Guidelines
Management of women with Hyperemesis in pregnancy	New	National standards
Intrapartum Care for healthy women and babies	New	National standards
Emergency and elective LSCS Audit re-audit	Re-audit	National standards

Title	New/re-audit /ongoing	Standards/Guidelines
Outpatient hysteroscopy and management of endometrial hyperplasia re-audit	Re-audit	National standards
Induction of Labour re-audit	Re-audit	National standards
Adherence to trust policies for blood transfusion in pregnancy	New	Local guidelines
Detecting obesity in children (5-18 years old)	New	Local guidelines
Re-audit: management of periorbital and orbital cellulitis in children re-audit	Re-audit	Local guidelines
Audit of Management of babies born at 35-37 weeks gestation	New	Local guidelines
Audit on the paediatric diabetic with elevated HbA1c > 75	New	National standards
Diabetic control after switching to pump from MDI	New	National standards
Management of feverish illness in children < 5 years	New	National standards
Neonatal Intensive and Special Care (NNAP)	Ongoing	National standards
Diabetes (Paediatric) (NPDA)	Ongoing	National standards
National Audit - Mortality report for babies born 1.1.13 -31.12.14 at $\leq 31+6$ weeks gestation	Ongoing	National standards
National BTS Paediatric Asthma Audit	Ongoing	National standards
NCEPOD Study - Adolescent Mental Health ((Child Health Clinical Outcome Review Programme)	Ongoing	National standards
Maternal, infant and new-born programme (MBRRACE-UK) Saving lives - improving mothers care	Ongoing	National standards
Admission & Discharge to DGH for children & Young people with emotional, social, behavioural or mental health issues	Ongoing	National standards
National Heavy Menstrual Bleeding	Ongoing	National standards
National pregnancy in diabetes audit	Ongoing	National standards
Safety Thermometer	Ongoing	National standards
Nursing Care Indicators	Ongoing	National standards
Transparency Audit	Ongoing	National standards
Saving Lives Audit	Ongoing	National standards

Title	New/re-audit /ongoing	Standards/Guidelines
Audit of Catheter associated urinary tract Infections	Ongoing	Local guidelines
Sepsis pathway	Ongoing	Local guidelines
Pneumonia pathway	Ongoing	Local guidelines
Stroke pathway	Ongoing	Local guidelines
Cardiac Chest Pain pathway	Ongoing	Local guidelines
Acute Kidney Injury pathway	Ongoing	Local guidelines
#NOF pathway	Ongoing	Local guidelines
Chronic Obstructive Pulmonary Disease (COPD) pathway	Ongoing	Local guidelines
Re-audit to measure compliance with antibiotic prescribing and the local formulary	Re-audit	Local guidelines
3M Venflon Audit	Ongoing	Local guidelines
Compliance with MRSA care pathway	Ongoing	National standards
Abdominal Pain Pathway	Ongoing	Local guidelines
Availability of MRSA, Clostridium difficile and hand hygiene leaflets	Ongoing	Local guidelines
Aseptic non touch technique audit re-audit	Re-audit	National standards
Moisture lesions (prevalence) & Continence management audit	New	National standards
Pressure Redistribution Equipment Prevalence Audit	New	Local guidelines
Compliance with Heart Failure Pathway	Ongoing	National standards
VTE - Reducing the risk. Implementing NICE guidance	Ongoing	National standards
Best Practice - Management of NCEPOD	Ongoing	Local guidelines
Pressure Ulcer Prevention - compliance with NICE CG179 re-audit	Re-audit	National standards
NW Regional Group - Regional re-audit of heart failure	Re-audit	National standards
Dementia Assessment / Quality Assurance	Ongoing	Local guidelines
Resuscitation trolley re-audit	Re-audit	Local guidelines
Dementia Pathway	Ongoing	Local guidelines
Do not attempt cardio pulmonary resuscitation re-audit	Re-audit	National standards

Title	New/re-audit /ongoing	Standards/Guidelines
60 Death audit 2016	Ongoing	National standards
Severe trauma (Trauma Audit & Research Network, TARN)	Ongoing	National standards
National End of Life Care	Ongoing	National standards
National Audit of Dementia	Ongoing	National standards
National Audit - Seven day services survey	Ongoing	National standards
Medicines Management audit of ALTC Community health centres and clinics	New	National standards
Medical Device Audit	New	Local guidelines
Therapy Indicators	Ongoing	Local guidelines
Uptake of insertion of intra uterine devices as emergency contraception following administration of emergency oral contraception following unprotected sex	New	National standards
BAPEN nutritional care tool	New	National standards
Feed provision on intensive care	New	National standards
Audit or pressure ulcer management in ALTC	New	National standards
STI/HIV screening and risk assessment	New	National standards
Preventing falls in older people	New	Local guidelines
Partial/total nail avulsion with local anaesthetic documentation audit	New	National standards
