Hi Hayley

The meeting is for the Freedom to Speak Up Regional Network Meeting and will incorporate teaching and information sharing around the Guardian role, Service updates, growth and expansion. It will be attended by a colleague from the National Guardian's Office in London who will be teaching/disseminating information around developments of the Service and Guardians' training.

If you need further information, let me know otherwise could I please book Monday June 10th between 10.30 and 2.30 for rooms 3 and 4.

Once I have number confirmations nearer the time, I'll liaise with Sandra Rudd if parking is required.

Many thanks,

Terri

Anita – could you please pencil this date into Dr Harper's diary so he is aware of Blackpool hosting the regional meeting here next year. 😊

Dear Terri

Thank you for your recent email. As you are aware we are only able to accommodate room bookings three months in advance, any bookings within this period can be made directly via

the on-line booking system.

If your request is for teaching or mandatory training, please email your request to me directly, including the teaching/training and requested dates.

Thank you.

Kind regards

Hayley
