Our ref: FOI/05149

Dear

Your Request & Our Response

1. How many mobile phone/devices do you have (this includes smartphone users, basic mobile phone users, data only users and any other device that requires a SIM card?)	3700
2. How many data only devices do you have which are using SIM Cards?	1860
3. What is the yearly data usage for your data only SIMS?	Our Trust does not routinely record the requested data in an easily accessible format, to retrieve this data would mean a manual trawl through contracts. This would constitute a disproportionate effort to retrieve and would exceed 18 hours. This information is therefore exempt on the grounds of cost (Section 12(1)).
4. What is the yearly data usage across all SIMS?	Approx 40 TB
5. Which networks are you currently with?	Vodafone
6. What is the length of the contract and when are these contracts due to expire?	2 years plus 2 years extension. Aug 22
7. Who is the per responsible for administration of these contracts and what is their job title?	Shaun Bucknill, Head of ICT

The information in this response is provided under the terms of the Open Government Licence. Please see here for more information:
